

# TABLE - 11

Name : \_\_\_\_\_

## Table 11

I dreamt of a place pretty as heaven

$$11 \times 1 = 11$$

Where the birds swam and the fishes flew

$$11 \times 2 = 22$$

Where toffees and chocolates grew on a tree

$$11 \times 3 = 33$$

From fountains where, smoothies poured and poured

$$11 \times 4 = 44$$

Into a custard pond, where one could dive

$$11 \times 5 = 55$$

In farms where candy floss grew on sticks

$$11 \times 6 = 66$$

Where it rained juices of lemon and melon

$$11 \times 7 = 77$$

Where heaps of cheese were laid on a plate

$$11 \times 8 = 88$$

Where pineapple grew on trees of pine

$$11 \times 9 = 99$$

Where colorful eggs were laid by hen

$$11 \times 10 = 110$$
