## Table 15

Bill was a farmer who grew green beans

$$15 \times 1 = 15$$

He had a pet parrot called Birdy

$$15 \times 2 = 30$$

Birdy could talk and was full of life

$$15 \times 3 = 45$$

He was also clever and witty

$$15 \times 4 = 60$$

Bill once went to the pool for a dive

$$15 \times 5 = 75$$

Birdy watched him from a pine tree

$$15 \times 6 = 90$$

Suddenly Birdy saw a crocodile

$$15 \times 7 = 105$$

He called William the court sentry

$$15 \times 8 = 120$$

The sentry saved the farmer's life

$$15 \times 9 = 135$$

Birdy became the hero of the city

$$15 \times 10 = 150$$
