

TABLE - 16

Name : _____

Table 16

Swimmy the fish lived in a stream

$$16 \times 1 = 16$$

In colour he was a shiny blue

$$16 \times 2 = 32$$

To swim in the sea he always prayed

$$16 \times 3 = 48$$

He loved going where he'd never been before

$$16 \times 4 = 64$$

Once he met a dolphin named Katie

$$16 \times 5 = 80$$

Impressed was he by her wonderful flips

$$16 \times 6 = 96$$

Soon they got to know each other well

$$16 \times 7 = 112$$

Between them grew a friendship great

$$16 \times 8 = 128$$

Many new places together they explored

$$16 \times 9 = 144$$

Finally they went into the deep sea

$$16 \times 10 = 160$$
