

TABLE - 9

Name : _____

Table 9

High on a hill were many trees of pine

$$9 \times 1 = 9$$

A robin nested in a tree thick and green

$$9 \times 2 = 18$$

The lush forest was the robin's heaven

$$9 \times 3 = 27$$

She loved her mate and two little chicks

$$9 \times 4 = 36$$

They led a happy and contented life

$$9 \times 5 = 45$$

Suddenly one day heavy rains began to pour

$$9 \times 6 = 54$$

It soaked all the birds living in the tree

$$9 \times 7 = 63$$

A kind squirrel came to their rescue

$$9 \times 8 = 72$$

She took them into her burrow till out came the sun

$$9 \times 9 = 81$$

The birds were saved from the rain so mighty

$$9 \times 10 = 90$$
